Dear Stripe

Thank you for agreeing to the proposal-implicit that we should work as a Team and consider all the dimensions of the Dispute in terms of the shortcomings of the British Injustice System and British Law Unenforceable System.

My Company and its offshoot the Conservative Libertarians (U) Political Party of the United Kingdom is well placed to play a leading role in these considerations.

The first line of work would be to put in an immediate plan of action for the United Kingdom to have a Written Constitution.

I look forward to hearing your reply to these proposals.

Yours sincerely

Thank you for your assistance.

I have to say that I do not know what everyone is talking about. What fraud was committed, which Account did the money come out of? Was it reported to Kent Police? Have I lost money from my Tide (Clear Bank) Account or our Barclays and Santander Bank Account or my PayPal Accounts?

If you can provide me with a coherent snapshot of what the problem is maybe can help with the investigation.

Thank you in advance of any fresh considerations of legal proceedings, which terminated at the Court of Appeal (CASE REFERENCE CORRESPONDENCE NO CA-2023-000750) this Saturday morning as attached: FRESH CONSIDERATIONS-digital.pdf

If you don't see any results, or if the payment was made through a bank account or other payment method, would you mind sharing a screenshot of the payment and providing me with the following information so that I can take a deeper look on my end?

If your card was charged, please provide following details:

I read the email thread and found that you were concerned about the account with the name "The Conservative Libertarian Publications Limited". Upon checking, I saw the account was deleted. I have gone through the documents you shared in order to refer to the payment details. Upon checking the details carefully, I was unable to locate any transactions. In order to help us properly locate and identify the debit, I would like to ask you to verify the information you have provided and send us a picture of the debit as it appears on your bank statement.

To share an image with us, you can use our safe upload tool here:

They should also be able to advise you how to proceed when you see a charge on your bank statement you don't recognize. I will be looking forward to your response. Best,Aarti

MAKING IT UP AS ONE GOES ALONG

<https://www.knowledgeassessmentanddissemination.com/forum/questions-answers/making-it-up-as-one-goes-along>

[Edited: 10.28 am, 7 March 2025]

Words are just descriptive-expressions that we have inherited from past generations of human beings. They are open to different interpretations as suits a particular raison d'être. When one is living in the freedom of satya-advaita yoga, one necessarily makes up new words as one goes along or adapts old words to meet a particular requirement in terms of what one is trying to express. It is in this context that my books are to be read and the readers have to form their own opinions on whether I have been crystal clear on what I have thought about relating to my experiences of life over the past 27 years. I am of course open to providing any clarifications needed on the basis of my actions at any particular point in time and how I have expressed these in the 345 eBooks that I have so far written in the series under the theme, 'The Allurement

of Reality'. But I hope that no such clarifications would be necessary or me be called upon to answer: I wish to let my books do the talking, hence I am editing this post now that I have some free time. This is because I am not a very good speaker in public, and even in the creation of Videos that I attempted over the past year to develop my websites. I am good at writing. For I allow truth to just flow into my mind at the appropriate time and this creates the works that I have been producing.

So in what context am I using the words Samadhi and Mahasamadhi. I wish to make it clear at this point in time. For me Samadhi seemingly started on completion of my Book Truth-accommodation (Satya-advaita) and I started writing the book 'Post-realisation Musings'. They were semi-conscious assessment of the knowledge that I had gained and the missing data that I needed to be searched for still in order for me to arrive at a comprehension on the Conception of Reality, the first book under the theme 'The Allurement of Reality' that I had started writing in 2004 when I came out of the mental hospital for the first time. It grew and grew into what it the Realisation is today. I had tried to consider numerous times during these years that I had had total Realisation, even my elder sister in India had pointed to this in one of her utterances to me, but it turned out not to be the case. When can Realisation be complete when one does not know what there is to Realise. It had to be awaited with patience. And I formulated a plan of self-discovery to try and get to it. This was to have a framework where I hypothesised that everything in the universe is pre-ordained and pre-orchestrated, so there was God having set the universe in motion in a particular manner; the best bhakti that I could approach God with was to discover my own fate within the Grand Design, and this was latterly over the period 2020 or so done through losing all attachments, and acting nonchalantly, spontaneously and unpremeditatedly in all my moment by moment actions as the only karma that I would engage in that could with certainty be then described as sanatana dharma, that is to say karma in sanatana dharma.

Mahasamadhi is total Realisation when one does stop one's karma in sanatana dharma and lives in Yoga-ananda, the yogadaan emanating from one's dedication to the comprehensive approach to yoga.

When I seemed to be surviving the persecution that was vitriolic against me in conducting myself in this manner I was picking up evidence of Dharma Rakshati Rakshita as being the eternal law of the universe, and this has not changed at the moment that I first wrote this posted account at 10.37 am on the 12 of October 2021.

This email is just a Welcome Pack to set out our vision for the future of mankind as Conservative Libertarians.

28 March 2025: MODUS OPERANDI OF CONSERVATIVE LIBERTARIANS

The Conservative Libertarians (UK) is permitted by virtue of the fact that both its Membership Accounts are validated as things stand this moment in time for these are funded by the Conservative Libertarian Publications Limited and the Membership accounts are held at JOIN IT and Brilliant Directories: this means that the Company can proceed with a business as usual modus operandi, in the absence of an adjudication from the Court authorities specifically who were approached by the Director at Medway County Court (Claim J00ME572) and Central London County Court (Claim E35YM660).

The technical details of what the institution of Conservative Libertarians stand for are as follows: There are so many things wrong with the deeply and multi-polarised world in terms of the values that governments enunciate with their policies, and over the past 55 years I have made a study of this with particular reference to the United Kingdom where I lived, extending it to other countries with diverse ecological and religious attributes. There has been no one putting forward a commonsense unified view of how humanity could be brought together with a shared outlook. No one has been knowledgeable enough to do that. Knowledge acquisition is a yogic endeavour that takes the whole of one's life to get to the Reality of our existence on this planet.

Today I am seeking to find like-minded people not just in the United Kingdom but also globally who share my vision and would like to get together in an attempt to bring truth, justice and democracy into the Constitutions of their countries.

(a) Our political party in the United Kingdom, named 'Conservative Libertarians (UK)' is located online at: <https://app.joinit.com/o/conservative-libertarians/> and this website is available for citizens and residents of the United Kingdom. We carry out this mission entirely lawfully within the Constitution of the United Kingdom that we have already tested for all our activities before embarking on this mission of proactive actions knowing that we will not violate the law which is of fundamental importance for peaceful living. It will be up to Conservative Libertarians around the world to determine the laws of their own countries in terms of their existing Constitutions so that they can also undertake their own missions of prosperity, peace and security.

In the United Kingdom at present we need 15 members to act as officials for our Party to enable us to complete our registration with the Electoral Commission of the United Kingdom as Conservative Libertarians (UK). If you are able and willing to assist us, please contact me.

(b) For those people of other countries who share the philosophy of Conservative Libertarians you may like to list yourselves in the Directory for Conservative Libertarians (Global) that is established online at <https://knowledgefoundersunited.com/> .

In case you need additional information; please check here:

Hello,

I just wanted to check in and see if you are happy with your website right now or if there are things you'd like to change.

Do you have any upgrades that you've been thinking about making, or possibly a redesign/rebuild?

I have created some pretty amazing sites.

Let me know what you think.

Hi there,

Thank you for the response.

Upon checking, I can see that you have 3 different accounts with Stripe from the same email address. Hence, I request you to please share the account ID of the account you are referring. However, if you are referring to the same account.

As I mentioned earlier, I am unable to check the same details on your account because the ticket is not authenticated. We're going to need you to take an extra authentication step before we proceed. We can only give out specific information or take certain actions on a Stripe account if you have definitely authenticated yourself as a user on that account.

Simply click the link in that email, sign into your Stripe account and everything will be in order. To save you time, I'm providing the same link below:

https://dashboard.stripe.com/confirm_support?t=84SqewECUqYJ21lpw0yHZSfmokAN6zfF

Alternatively, you can navigate to the URL below, login and resend your email to us using the form there: <https://support.stripe.com/contact/login>

Sending a message using that form while logged in will securely connect your message to the account you're writing from. Thank you for understanding - we need to be certain that we are communicating with the legitimate account holder for certain issues to ensure the safety of your account information.

I will be waiting for you to authenticate the ticket.

Eguono, You do know that I am a Vishista-advaitist? It is just that from my experience I have learnt that I when I connect with someone I have to clarify and emphasise that religion is the most important part of my psyche and in this regard I am a Vishista Advaitist. This prevents any misapprehensions from the very beginning.

It is an ancient Hindu religion as Vedanta, the scriptures handed down to Hindus at the end the four Vedas and revealed first to I believe Ramanuja as the first visihsta advaitist. The atheistic non-duality of Brahmoadvaita is replaced by Vishistaadvaita which expresses that the universe was Created by God Sri Krishna and Sri Krishna/Durga, who is everywhere including as Brahman the manifestation of the Unmanifest within the mind as in outside the mind. The religion seeks oneness with truth and oneness with Reality hence the term 'advaita'.(Edited)

It is an ancient Hindu religion as Vedanta, the scriptures handed down to Hindus at the end the four Vedas and revealed first to I believe Ramanuja as the first visihsta advaitist. The atheistic non-duality of Brahmoadvaita is replaced by Vishistaadvaita which expresses that the universe was Created by God Sri Krishna and Sri Krishna/Durga, who is everywhere including as Brahman the manifestation of the Unmanifest within the mind as in outside the mind. The religion seeks oneness with truth and oneness with Reality hence the term 'advaita'.(Edited)

No Hindu alive today knows it like I do: I used to go to Hindu Dharma Forums and got short shrift of what I was discussing in it on truth-accommodation as a religion. This was about 8 years ago. Most people are superstitious and just follow their superstitions blindly. Innumerable forms of Hindu religion exists as substantive religions or as minor sampradayas. Then there is ISKON, etc. One has to practice yoga to learn.
